DUO - So Simple!	Page 14

So Exciting!

Introducing... Team Tenpin!®

Ten **lovable** pin characters that enhance the bowlers experience and **celebrate** strikes, spares and much more.

Queen

THE RULER OF THE LANES,
WHEN SHE GIVES THE ORDER,
THE PINS HAD BETTER FALL...
OR IT'S OFF WITH THEIR
HEADS!

HELP MENU Icons are displayed for each option, for non-English speaking bowlers. Easy to use menu guides the bowler through options such as: Skipping and Resuming Play for any bowler, Viewing All games played so far, Viewing games from Other Lanes, and Many More functions.

COMPETITION NAME ENTRY is as simple as 1, 2, 3 and Play. Easy instructions give bowlers *Blind Score*, *Vacancy Score*, *Substitute* and even *Pacers* options.

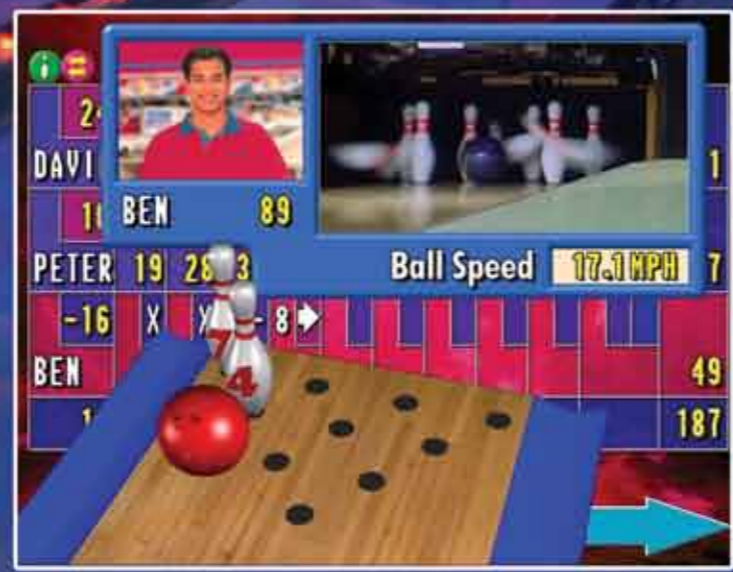

ANALYSIS HELP MENU The Engine Room for Competition bowler information, displaying: Progressive Match Pinfall, Strikes and Spares, Ball Speed histograms, Lane Records and more.

SCORE HISTOGRAMS The Score Analysis menu also allows you to compare each Player, or the Team's Head-to-Head progress with the opposition, frame by frame.

So Much Fun!
DUO introduces Bowler Form Replay, with an optional camera at the overhead display monitors.

- Capture your bowler's action at the foul line!
- Check out the ball path over the full lane length!

So Helpful!
Get more information than just the Scoregrid:

- Give your bowler Instant Video Replay / Pindication / Ball Speed / Sparemaker
- Personalise your bowlers, displaying their photo by adding a simple webcam at your Point of Sale.

STACEY

EVERYBODY'S FAVOURITE CHEER PIN. NOT THE BRIGHTEST PIN ON THE DECK BUT, GO PIN GO!

Step 2. Pinsetter Model Type

Press the M key to scroll through the different Brands and Types of Pinsetter/Pinotters to select the correct type for these lanes.

- Brunswick A2
- Brunswick GS92-98
- Brunswick GS-X
- AMF 82_30
- AMF 82_70
- AMF 82_70MP
- AMF 82_90

Requires APS and 2nd Ball Connections

Prev. Cancel Next

Select YOUR Pinsetter Model Type, and DUO will adapt to the machine.

Troubleshooting

Select:

- 1 Check Odd Lane Pinsetter Connections
- 2 Check Even Lane Pinsetter Connections
- 3 Review Last Score on the Odd Lane
- 4 Review Last Score on the Even Lane

N Network Options F Fine Tune the Scoring Setup
V View Scoring Log A Adjust Camera

The Duo Setup Wizard is so easy!

Pixie
THIS FUNKY FAIRY IS ALWAYS ON HAND WITH A PINCH OF FAIRY DUST!

Step 4. Calibrate Odd Lane Ball Speed

← Odd MPH

Press F as ball passes the Foul Line

K KPH

Press the help of another person to bowl a medium speed ball down the centre of the Odd lane. (The ball is not to fall in the gutter). Press the F key just as their ball passes the Foul line at the start of the lanes.

SLICK

LOOK OUT THE KING IS ON THE LANES. LET THE GOOD TIMES ROLL!

7 Control Lanes

So Easy!

Keep control on your Center's operation with DUO. Innovative center command screen puts you in complete charge of center functions. "Touch and go" is all it takes!

[F2] Play Mode

- Allows Practice, Single or Cross-Lane bowling for Competition-style Grids for Open Play - scratch or handicap
- various grid formats

[F4] Move

- Quick, easy and efficient.
- Move the complete score grid, or just players - during the game!
- Moving bowlers is easy and efficient
- Move everybody or just one bowler

SARGE

A PIN WITH "TAKE CHARGE" ATTITUDE. WHEN THE SCORE GETS TOUGH, SARGE GETS GOING

[F7] Overrides

- Hardware management, including: enabling / disabling ball speed graphics or kypads in play area, switching or chnging machines, raising or lowering bumpers - manual or automatic, emergency shut down of machines and automatic bumpers

[F1] Center Command Lane Control Functions:

- Open Play options
- League and Tournament Start
- Cash sale and Accounts / Tabs transactions
- Bowler and lane movement
- Score sheet printing
- Bowler management
- Lane management and more

[F5] Messages

- Display High Scores for each lane
- Print a Standing Sheet in Open Play - great for Groups and parties
- Send a message on One lane or All lanes during play
- Display high scores for announcements

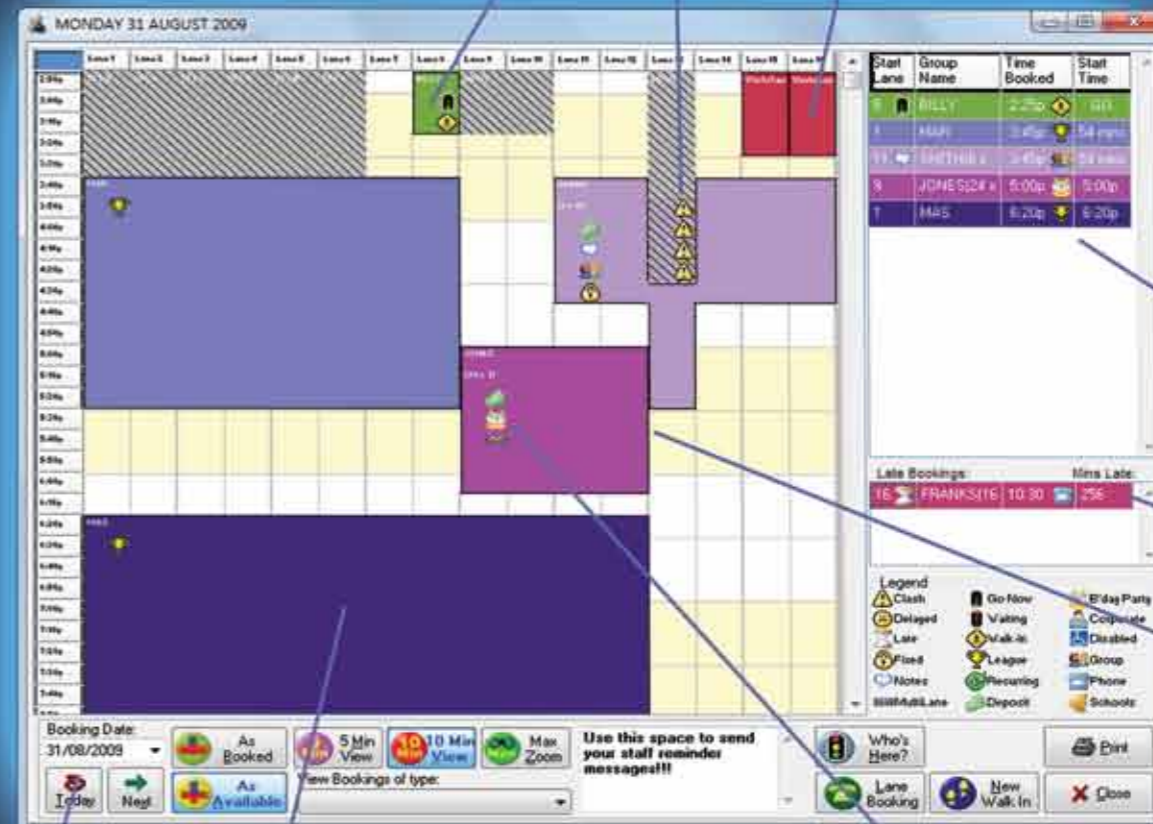

[F3] Games Options

- 13 great game choices for corporate, social groups and birthday parties. Can be also used in league or tournament play.
- Great for open or league formats
- Wide variety of a dozen games enhances bowler

[F6] Point of Sale

- Manage all non-game transactions, including deposits, accounts and tabs, pro shop, locker rental and shift details.
- Opening and closing shift functions
- Cash management

So Organised!

Any "walk-in" bookings are automatically scheduled to the next available lane & time slot giving priority to existing bookings

The booking sheet automatically adjusts for unforeseen circumstances such as lane maintenance requirements

Phone Bookings are easily entered with a minimum of fuss.

Groups that do not arrive are automatically placed into a list of Late Bookings.

Lane bookings displays automatically adjust to avoid clashing with other bookings and leagues

Check Bookings for any day in the future

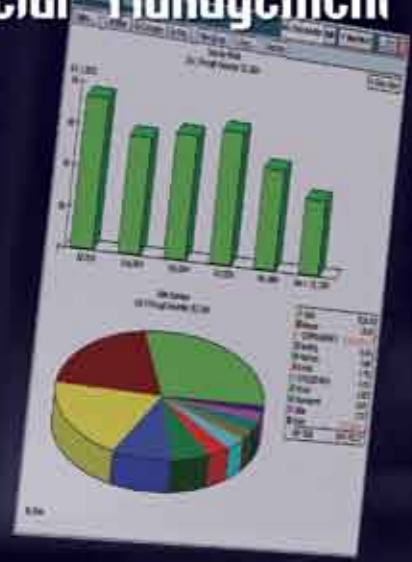

League lanes automatically appear on booking sheet using leagues' schedules of play

Birthday Parties & other bookings can be entered days, weeks or months in advance

ASTRO

A 21ST CENTURY PIN RANGER. TRAVELS THE GALAXY IN SEARCH OF THE PERFECT STRIKE

So Controlled!

All your centre's information can be accessed from your home or office computer. Tournament or League results are available in HTML format for export to your website. Set up your own Club Membership from the Address Book Data. All the cash management data and reports can be fully and easily integrated with QuickBooks® including Customer Invoices and Accounts, and QuickBooks class tracking.
