

USBC Awards Patch Installation and Update 2011-2012

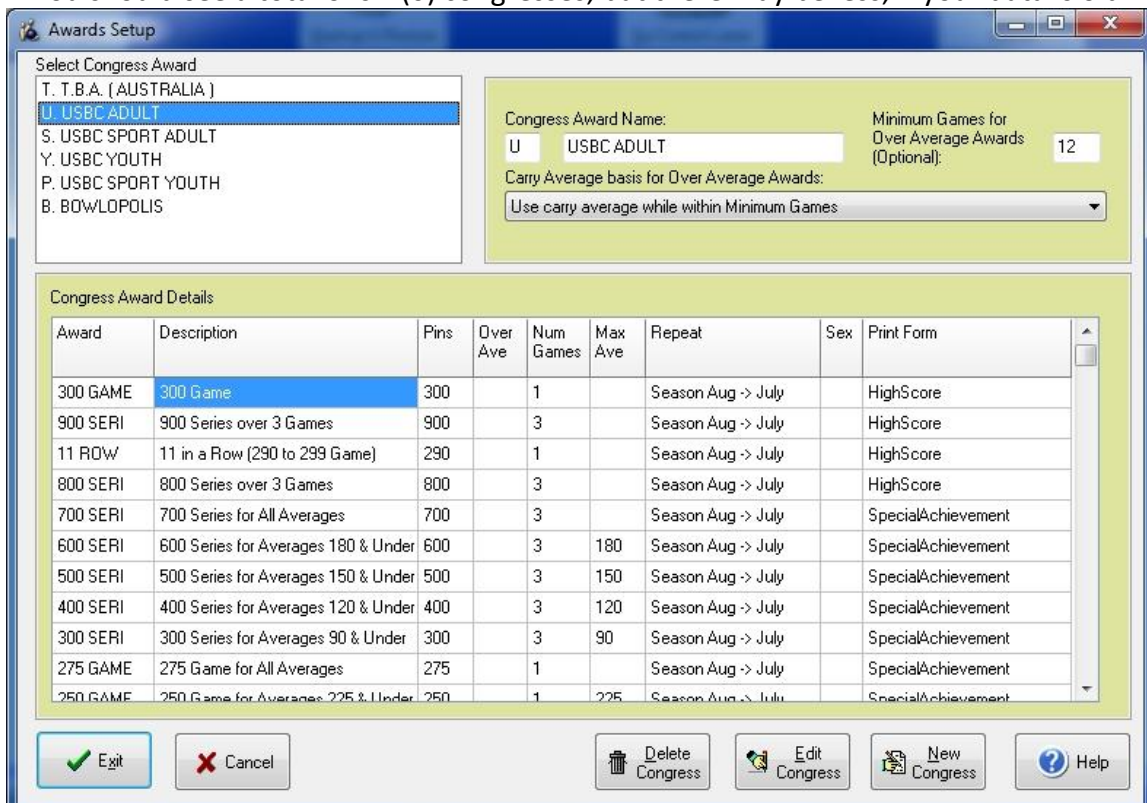

As both the USBC Award forms and settings have changed compared to last season, Computer Score has prepared a patch which is designed to update the USBC Awards setup and reporting while leaving the remainder of the software the same.

Follow this procedure to install the patch:

1. Perform a League Backup
2. Exit out of all Computer Score software on all computers.
3. Double click on the [USBC Congress Awards Update.exe](#) file to run it.
4. Click on the Start button to proceed. Click Yes to overwrite all existing files.

5. When finished, start Computer Score and go to the [System Management Menu](#) → [Awards Setup](#) screen.
6. You should see a total of six (6) congresses, but there may be less, if your data is old.

To Add a Missing Congress

This year, there is a new congress, BOWLOPOLIS (SPORT). This is because the Special Achievement Award Application form is different for Sport Bowlers, compared to regular USBC bowlers.

So, we must add in a new congress for Bowlopolis Sport bowlers.

1. Click on the [New Congress](#) button. The following screen will appear.
2. Select [O. Bowlopolis \(Sport\)](#) from the list and click on the [Import Congress](#) button.
3. Click on the OK button to finish adding the new congress.
4. Repeat for any other congresses that are missing.

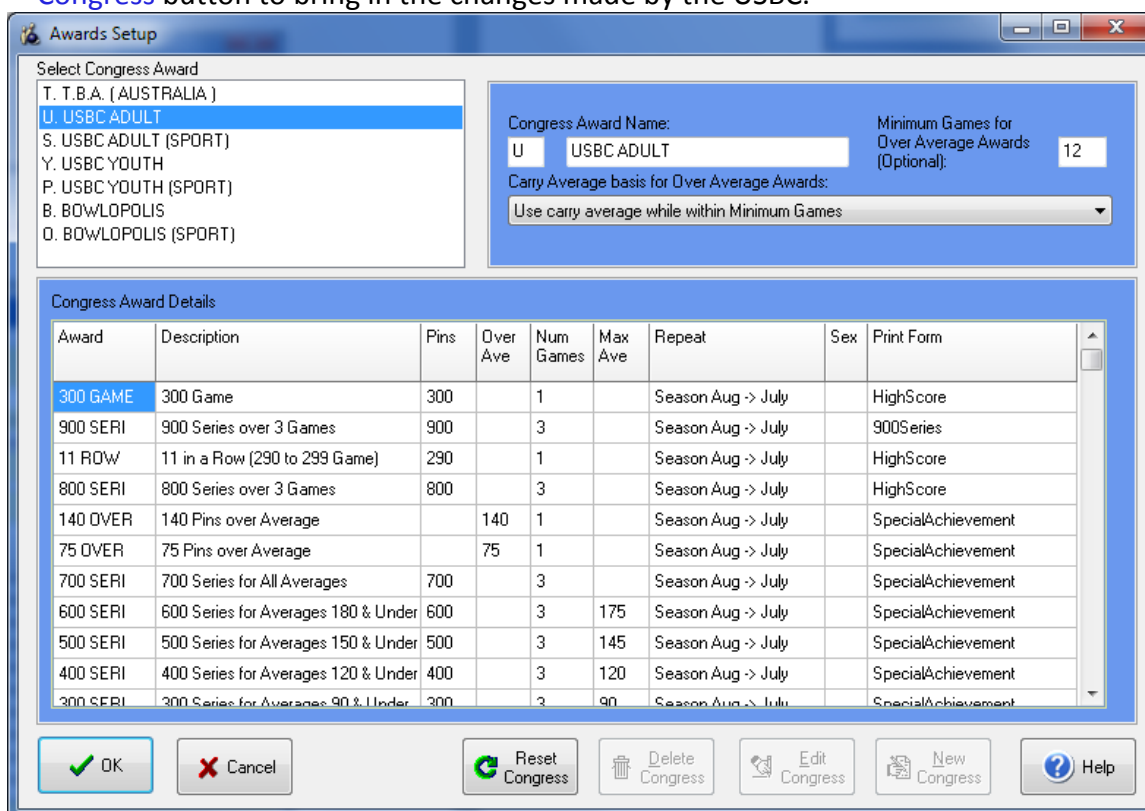

To Update a Congress

The parameters for each congress are often changed subtly each year. You now need to update each and every congress to bring in the new settings.

Select a Congress from the list at the top of the screen and click on the Edit Congress button.

Click on the Reset Congress button to update the details of the selected congress.

1. Select the first congress and click on the [Edit Congress](#) button and then click on the [Reset Congress](#) button to bring in the changes made by the USBC.

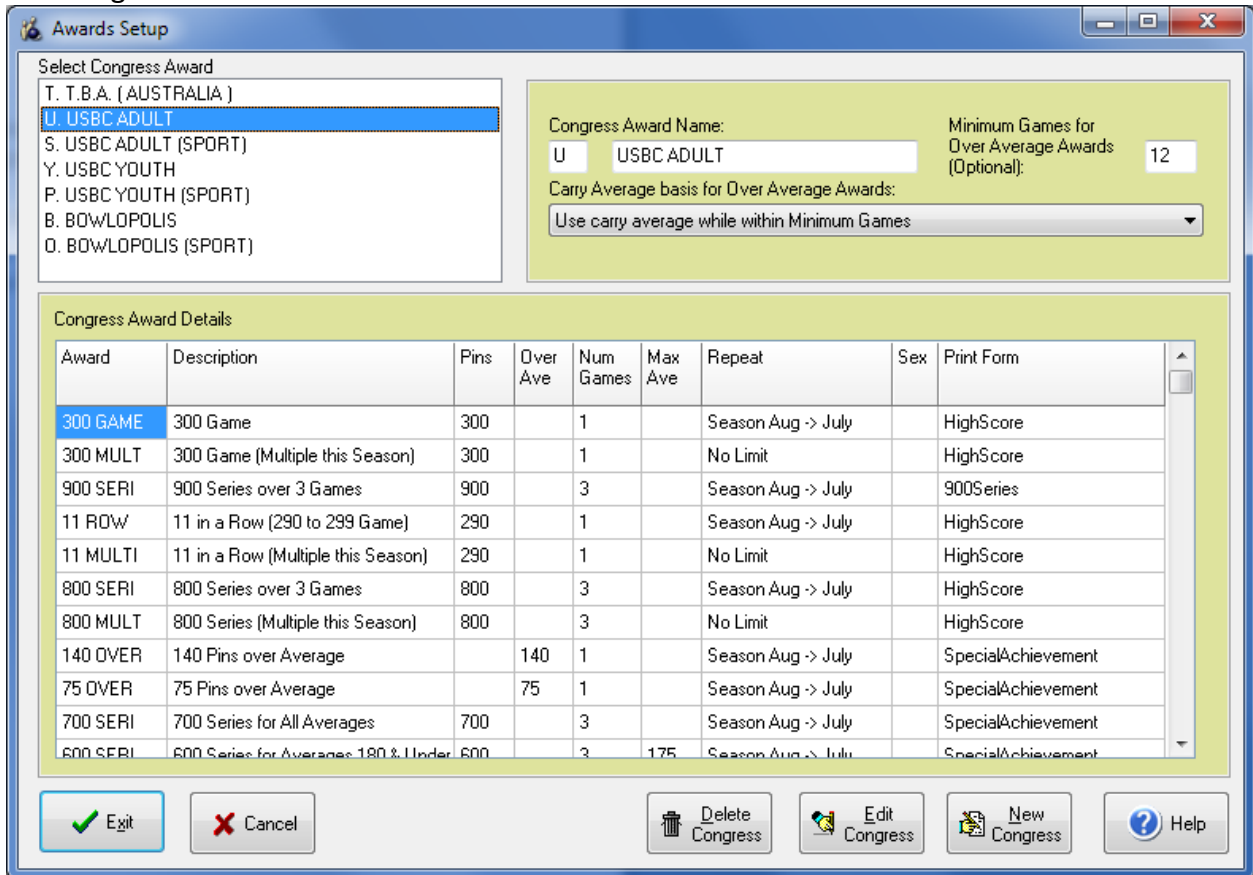

2. Click on the OK button.
3. Repeat for every other congress, to update them as well.

To Finish

You should now have a total of seven (7) congresses.

Verify that your bowlers belong to the correct congress, especially your Youth and Bowlopolis Bowlers.

Note: Each bowler should only belong to a single USBC Congress for the selected league, otherwise double ups of awards could occur if a high score is bowled. A bowler is able to belong to multiple congresses, if you have made your own custom congress.
